Can you draw the correct rhythms in the box next to each animal? You'll find some examples here.

1

							
---	--	---	--	---	--	---	--

Take care on Ladybird and Caterpillar - they have sneaky double lines at the top.

2

							
---	--	---	--	---	--	---	--

No need to draw the blobs in this exercise.

3

							
---	--	---	--	---	--	---	--

Once you have finished, can you clap and say the animal lines?
