

Name..... Date.....

Look at each box below. Which of the two animals below fits the words best?

Think about how many syllables are in MOUSE? Think about how many syllables are in SPIDER?

When you have chosen your animal, carefully draw the rhythm into the box.

Once you are finished, clap & say the WORDS of the rhyme. Then clap & say the ANIMALS. Hopefully both versions should sound the same.

I or

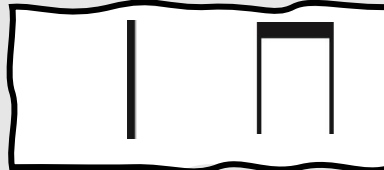

TWINK-LE	TWINK-LE	LITT-LE	STAR
HOW I	WON-DER	WHAT YOU	ARE

Now, using Mouse and Spider rhythms, make up your own version of 'Twinkle Twinkle Little Star'.

Once you have finished, practise clapping the rhythm.

## TWINKLE TWINKLE COMPOSITION

Now can you mix up the notes to make your own composition?
